

Friendship Health sector conducts secondary health camps in hospital settings, in floating hospitals and in land hospitals. Friendship started conducting secondary health camps in 2001 in Lifebuoy Friendship Hospital (LFH). Later on, the secondary health camp extended to Emirates Friendship Hospital (EFH), Rongdhonu Friendship Hospital (RFH), and Friendship Hospital Shyamnagar (FHS). Secondary Health Camps are conducted by both the national and international medical teams. Data for the year 2025 is till January.

Hospital-wise Secondary Health camp patient			
Hospital	No. of Camp	Surgery Patient	Consultation Patient
